VOLUNTEER COMMITMENT & LIABILITY FORM

I understand, as a volunteer Life Guide and or Life Coach-trainee, I am expected to attend all training sessions as they become available. I am aware that my prompt and consistent attendance of these events is important. If for any reason I find it necessary to miss one of the training meetings or Sit-Ins, I understand that I should inform my Program Coordinator as far in advance as possible.

I understand that missing multiply training sessions may necessitate my withdrawal from the program until training is up to date. When deemed necessary by staff, I am aware that I may be asked to do additional Sit-Ins and, that, if I am unable to demonstrate the prescribed skills, knowledge or attitudes, or to cooperate with the staff or my fellow trainees, I may be asked to withdraw.

I understand, after successful completion of training, I will arrive at my schedule appointments/calls on time. I will avoid canceling my appointments except for an emergency. Also, I will notify the staff as far in advance as possible of any changes to my schedule.

I understand, that while I am a volunteer at Speak Life Ministries, I will be provided with regular opportunities to maintain or enhance my skills through in-service training and other special events, and that my attendance at these events is highly encouraged.

I understand, I will not be compensated or paid for any of my services, work as I freely give of myself and services as a community outreach and to the glory of God.

I understand, I will be responsible for my own travel related expenses unless notified differently.

I also understand, that the members of the staff are available for consultation. Keeping the Program Coordinator informed about the nature of my work with callers/clients is understood to be of primary importance. If circumstances in my personal life arise that may necessitate altering my schedule/appointments, I will discuss my situation with my Program Coordinator.

I understand that I will be using my personal vehicle to travel to and from the persons(client) I will mentor, help and serve. I agree to hold Speak Life Ministries harmless from all liabilities that may occur from the use of my personal vehicle. I confirm that I operate my personal vehicle at my own risk and operate my vehicle per all state and local laws.
